The photos are great! The Charter ceremony brought back fantastic memories with your Club and members. Smooth Talkers has launched forward and even achieved Distinguished status in your first year. That is a tremendous achievement. Keep on reaching for that next level of excellence. Thanks for sharing.

I love your website, by the way! The red and black color scheme really gives it a nice punch! I looked through all the pictures too, and it really brought a smile to my face! I hope to visit you soon!
